

DECLUTTER

- move breakable and dangerous items (cleaners) to a higher shelf
- clear out shelves and baskets to make room for baby gear

LINEN CLOSET

- separate baby linens from adult linens
- store bath towels and sheets together, use another bin or basket for medicine and soap
- keep an extra set of sheets near crib

PANTRY

- designate a shelf or drawer for all things baby
- label your bins (bottles, food storage, baby food)

SORT CLOTHES BY SIZE

- sort clothes into months (0-3, 3-6, 6-9, 9-12)
- keep clothes in the groups you've created and hang or place them in baskets
- use labels to divide the clothes by months

STATIONS

- diaper station: changing pad, wipes, diaper cream, extra clothes, hand sanitizer, toy or soother
- feeding station: support pillow, burp cloths, bibs, blankets, books
- toys: soft mat for tummy time, teething toys, blankets, rattlers, plush animals, crinkle cloth books
